

2017: the year of fake news

Santa fits thru chimneys? Sure. Reindeer can fly? No way. Elves make toys at the North Pole? Really?

Keeping our fingers crossed...

peace, justice,
keep up hope,
act,

hugs,

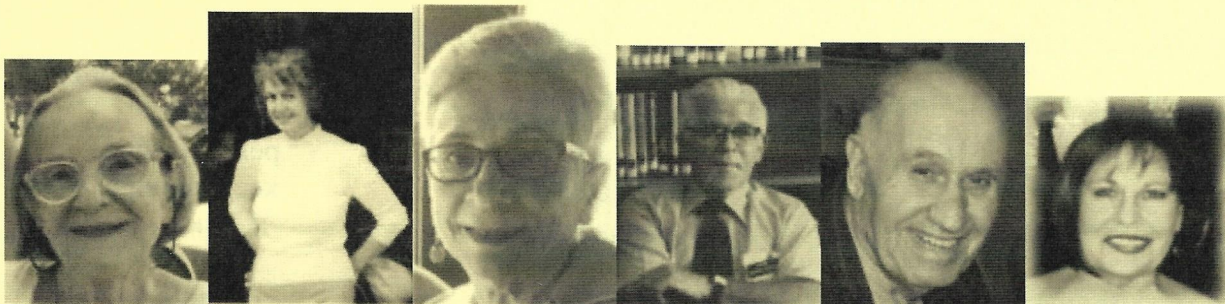

ani and bob

It is always hard to lose those close to us, but the same is true of all those lives lost here and abroad to senseless violence. Each of them has a story and their own families who miss them, when there are survivors.

Our annual news and more/better photo viewing is online at our website!
