CSC 1051 - Academic Integrity Policy

As a Villanovan, it is assumed that you understand Academic Integrity. This assignment is to ensure that you understand and abide by specific policies regarding Academic Integrity in Computing Sciences and in CSC 1051.

1. Visit the Computing Sciences website and find the CSC Academic Integrity Policy. Read and make sure you understand the information in this page, paying close attention to the policies regarding Assignments and Programming projects. If you have questions, be sure to address them with your instructor.

2. Review also the information under Academic Integrity in the course syllabus.

3. Answer the following questions:

   What types of help are you allowed to give to your classmates in this course?
   
   What types of help are you allowed to seek in this course?
   
   What types of help received are you required to acknowledge?
   
   What are the restrictions on electronic sharing in this course?

   Sign and date below. Your signature indicates that you plan to conduct yourself in accordance with the Academic Integrity policies of the department and the university.
