Thomas P. Way

Associate Professor, Computing Sciences
Director, Applied Computing Technology Lab

Villanova University
Department of Computing Sciences
800 Lancaster Avenue
Villanova, Pennsylvania 19085

Phone: 610-519-5033
Fax: 610-519-7889
Email: thomas.way@villanova.edu
Web: www.csc.villanova.edu/~tway

EDUCATION

Ph.D.	2002	Computer Science	University of Delaware
M.S.	1997	Computer Science	University of Delaware
B.A.	1984	Film & Television	University of Maryland, College Park

RESEARCH

Associate Professor   **2008-present**
Villanova University - Villanova, Pennsylvania
Department of Computing Sciences

Director   **2005-present**
Applied Computing Technology Laboratory (ACT Lab)
*Research pedagogy project, developing student research abilities,
fostering collaborative research, producing publishable results.
Department of Computing Sciences*

Program Manager   **2006-2009**
Applied Research in Computing Enterprise Services (ARCES)
*Manage research team of 20 faculty, students and staff, 10 industry partners.
U.S. Air Force research project
Villanova University, in cooperation with Gestalt, LLC*

Assistant Professor   **2002-2008**
Villanova University - Villanova, Pennsylvania
Department of Computing Sciences

Research Areas
Parsing, nanocompilers, sentiment analysis, machine learning, machine translation, applied computing technology, dihydrogen monoxide, software engineering, assistive computer technology, system modeling and simulation, computer science education, green computing, technology literacy.

GRANTS / DIRECTED FUNDING

Earlier and Broader Access to Machine Learning , 2012-2015
    Source: National Science Foundation
    Co-PIs: Lillian Cassel (PI), Paula Matuszek Amount: $199,874.00

Developing a Cross-Disciplinary Approach: People and Computers, Writing and Translating
    Source: Villanova Institute for Teaching and Learning (VITAL), 2012
    Co-PI: Seth Whidden
    Amount: $9,700

Network Data Mining, 2010-2011
    Source: Comcast
    Co-PIs: Vijay Gehlot
    Amount: $20,000

Stake-Holder Asset-based Planning Environment (SHAPE), 2009-2011
    Source: Sponsored by Colorado Engineering, Inc. sub-contract from the Department of Defense
    Co-PIs: Vijay Gehlot (PI) Robert Beck, Frank Klassner
    Amount: $112,500.00

Development of an Interdisciplinary Course on Computing & the Environment
    Source: Villanova Institute for Teaching and Learning (VITAL), 2010
    Amount: $5,500

Support Grant for Villanova ACM Student Chapter
    Source: Lockheed-Martin Corporation, 2009
    Amount: $500

Distributed Expertise in Enhancing Computing Education with Connection to the Arts
    Source: NSF CISE Pathways to Revitalized Undergrad. Computing Educ., 2008-2011
    Co-PIs: Lillian Cassel, Villanova University & Kim Pearson, TCNJ
    Amount: $299,000

Automation of Technical Reachback for PMESII Best Practices and Lessons Learned in Stabilization and Reconstruction Environments
    Source: Army Phase II STTR, with Colorado Engineering, Inc., 2008-2009
    Co-PI: Vijay Gehlot, Villanova University
    Amount: $150,000

Applied Research in Computing Enterprise Services (ARCES)
    Source: U.S. Air Force, GCCS-AF, PE 33150F, 2005-2007
    Through the Center of Excellence in Enterprise Technology (CEET)
    Industry partner: Gestalt, LLC
    Co-PIs: Robert Beck and John Lewis, Villanova University
    Amount: $6.3 million contract, $4.3 million funded

Plagiarism Detection and Research Writing Validation
    Source: SIGCSE Special Projects Grant program, 2007
    Amount: $4,000

A Course on Service-Oriented Architecture Design and Analysis
    Source: Villanova Institute for Teaching and Learning (VITAL), 2007
    Co-PI: Vijay Gehlot, Villanova University
    Amount: $8,000

Field Programmable Gate Array equipment & software license grants
    Sources: Altera Corporation, Xilinx Inc., 2005
    Amount: $7,279

OTHER PROFESSIONAL EXPERIENCE

Software Engineer   1997-2002

Blair Computing Systems, Inc. - Newark, DE
Software development for medical imaging and printing, continuing consultant.

Vice President - Product Development   **1995-2002**
AgoraNet, Inc. - Newark, DE
Software development, Internet hosting and web design.

Graduate Research & Teaching Assistant   **1994-1997**
University of Delaware - Newark, DE
High Performance Computing Group (1996-1997)
Applied Science & Engineering Labs (1994-1996)

Computer Consultant   **1988-1994**
Entertainment Industry - Los Angeles, CA
Independent consulting on a contract basis.

Freelance Television Production   **1984-1994**
Entertainment Industry - Los Angeles, CA

SERVICE

UNIVERSITY

- Faculty advisor for Villanova Trading Card Club student organization, 2012-present
- Awards Subcommittee, co-chair, 2009-present
- University Senate, 2008-present
- Faculty Congress, 2008-present
- Committee on Faculty, 2008-present
- Faculty advisor for Villanova University student chapter of the Association of Computing Machinery, 2006-present
- Information Literacy Outcomes Subcommittee of the University Outcomes Assessment Committee, 2004

COLLEGE

- On-camera Spokesperson, College promotional video, 2012
- Candidate interviewer, Gregor Mendel Biology Chair in Genetics, 2010
- Science Education Task Force, 2008-2010
- Committee on Majors and Concentrations (CMC), 2007-2010
- Premier Liberal Arts brainstorming focus group, College Strategic Planning Committee, 2007

DEPARTMENT

- Class of 2014 Advisor, 2010-present
- Colloquium series coordinator, 2009-present
- Class of 2010 Advisor, 2006-2010
- MS in Software Engineering (MSSE) Committee, 2006-present
- Editor of departmental newsletter, 2006-present
- Outreach Committee, 2005-present
- BS in Computer Science Curriculum Committee, 2002-present
- CS Zero Working Group, 2005-2006

- Revamping Operating Systems and Computer Organization (ROSCO) Committee, 2005-2006
- Undergraduate Admissions Committee, 2004-2006
- Class of 2006 Advisor, 2002-2006
- Supervised 50 graduate student independent study projects and two Master's Theses
- Colloquium host for numerous guest speakers

PROFESSIONAL

- Faculty expert, media contact handling interview requests for computing topics for Villanova Office of Communication, Department of Media Relations, 2010-present
- Faculty mentor for SISMAT Cybersecurity Program with Dartmouth University, 2010
- Local Arrangements Coordinator, Annual Consortium for Computing Sciences in Colleges, 25th Annual Eastern Conference (CCSCE), 2009
- Reviewer, Pearson-Addison Wesley textbook, 2009
- Reviewer, CCSCE Conference, 2009
- Program committee member, ICTAI 2009 Conference, 2009
- Local Arrangements Chair, Sixth IEEE International Workshop on Source Code Analysis and Manipulation Workshop of Twenty first IEEE International Conference on Software Maintenance (ICSM 2006), 2006
- Program committee member, WIE 2007 Conference, 2007
- Reviewer, 29th Conference of IEEE Engineering in Medicine and Biology Society, 2007
- Reviewer, SIGCSE Technical Symposium, 2004-present
- Reviewer, ITiCSE Conference, 2004-present
- Referee, Software-Practice & Experience (SPE) journal, 2006
- Reviewer, McGraw-Hill textbook, 2004
- Reviewer, Oxford University Press textbook, 2004
- Reviewer, IASTED PDCS Conference, 2002
- Referee, IEEE Transactions on Rehabilitation Engineering, 1998-2000
- Participated in "HPC Network Simulation for the DoD" Electronics, Networking and Systems (ENS) training workshop,2007
- Mentor for National Consortium for Specialized Secondary Schools of Mathematics, Science, and Technology (NCSSSMST) annual Student Research Symposium, 2005
- Continuing author of Dihydrogen Monoxide Research Division (DHMO.org) science satire and critical thinking website, used internationally by educators, 1997-present
- Board of Directors, AgoraNet, Inc., 1995-present
- Member, Association of Computing Machinery
- Member, Special Interest Group on Computer Science Education (SIGCSE)
- Software consultant and web site designer for a number of local not-for-profit organizations, schools and churches

HONORS

- Finalist (one of five), Villanova University "Last Lecture" faculty award, nominated by graduating senior class, 2005

- Runner-up, Best Paper Award, PACT 2000 Technical Conference, 2000
- Upsilon Pi Epsilon Computer Science Honor Society, 1998
- Alpha Epsilon Rho Broadcasting Honor Society, 1984

INVITED TALKS, WORKSHOPS & INTERVIEWS

"The Magic of Computer Science." Banquet keynote address, Annual Consortium for Computing Sciences in Colleges, 25th Annual Eastern Conference (CCSCE), October 2009.

"Using Magic to Teach Networking." Colloquium presentation, University of Delaware, Department of Computer & Information Sciences, Special Interest Group on Networking, October 2009.

"The Magic of Computing." Workshop tutorial, Computer Science Education Summer Institute (CSESI), Haverford College, June 2009.

"An Interdisciplinary and Cross-institutional Computer Game Design Course." Workshop presentation, VITAL Teaching & Learning Strategies Conference, Villanova University, May 2009.

Invited speaker at Villanova VITAL New Faculty Program, January 2009.

"Using Magic to Teach Computer Science." Workshop tutorial, SIGCSE Technical Symposium (SIGCSE 2008), March 2008.

"Magical Illusion for Science Education." Workshop tutorial, Villanova Magic School summer science camp, July 2007.

"Magic and Theater in Computing Education." Workshop tutorial, Computer Science Education Summer Institute (CSESI), Haverford College, June 2007.

Invited guest speaker and panel member, Faculty Roles in Institutions of Higher Education course, University of Delaware, June 2007.

Interviewed on WGN Radio, Chicago, on the Nick Digilio Show, April 2007 about my technology literacy and critical thinking chapter in "South Park and Philosophy."

"Using Magic to Teach Computer Science." Workshop tutorial, SIGCSE Technical Symposium (SIGCSE 2007), March 2007.

"Magical Illusion for Science Education." Workshop tutorial, Villanova Magic School summer science camp, July 2006.

"Internet Safety." Invited speaker, Mothers of Multiples conference, March 2006.

Interviewed by Wilmington News Journal for July 30, 2005 front page article about my dihydrogen monoxide web site and its impact on critical thinking and education.

"Magical Illusion for Science Education." Workshop tutorial, Villanova Magic School summer science camp, July 2005.

"Internet Safety." Workshop presenter, 25th Annual Parenting Conference, Nursing Mothers, Inc., Newark, Delaware, March 2005.

Invited speaker and panel member, Faculty Roles in Institutions of Higher Education course, University of Delaware, June 2004.

Interviewed on NPR's All Things Considered by Robert Siegel, March, 2004 about my dihydrogen monoxide web site and its impact on critical thinking.
